STARTUP SPOTLIGHT

WHY MOST STARTUPS FAIL WITHIN THE FIRST 3 YEARS

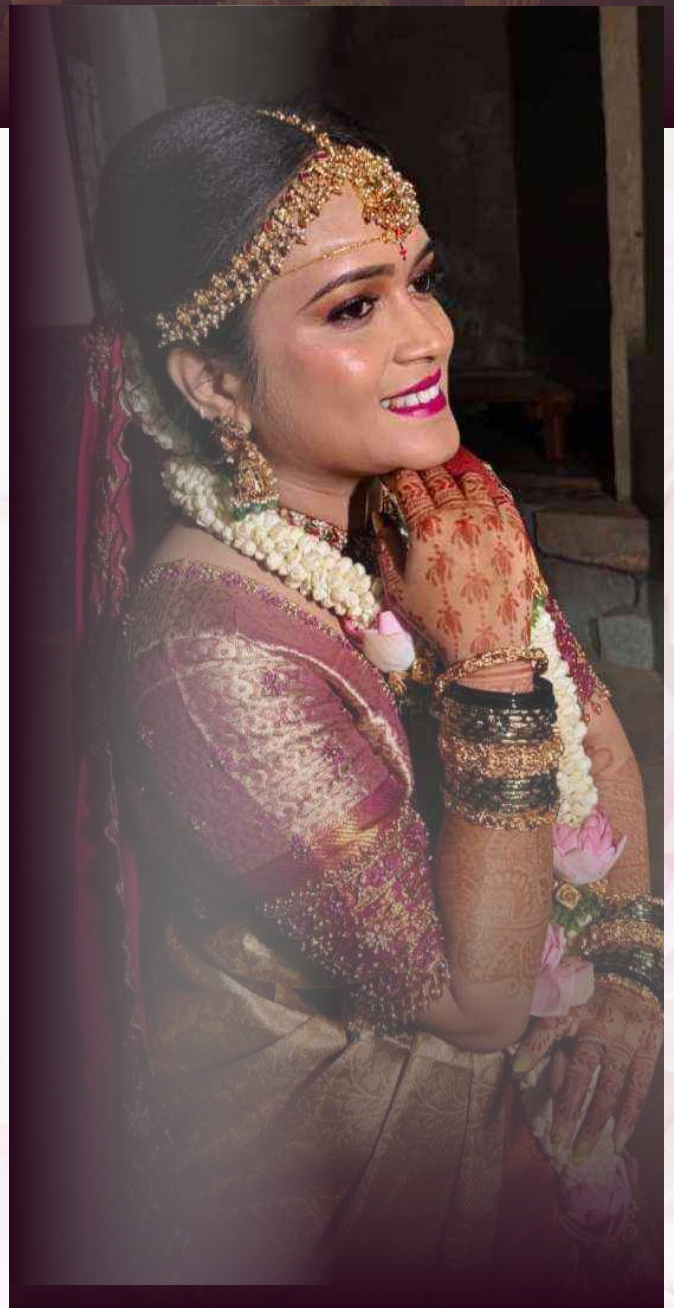

According to industry studies, many startups struggle because they focus solely on sales while neglecting branding, customer experience, and long-term strategy.

TOP REASONS:

- ✔ **Lack of Brand Identity**
Customers remember brands, not businesses.
- ✔ **Poor Marketing Strategy**
Random marketing rarely generates consistent growth.
- ✔ **No Digital Presence**
If customers can't find you online, they may choose competitors.
- ✔ **Inconsistent Customer Experience**
Trust is built through consistency.
- ✔ **No Long-Term Vision**
Successful businesses think beyond immediate profits.

DCUBE EXPERT ADVICE:

Invest in branding before scaling your advertising budget.

EVENT OF THE MONTH

Lavanyaks Chinni

We had a wonderful experience with Dcube Events. We had requested for marriage. From Haldi to Muhurtham till Reception, everything was arranged very neatly and professionally.

The photography and makeup for all three events were excellent, and the team ensured everything went smoothly throughout. The decorations for the Haldi and Reception were beautifully done and exactly as expected.

The food served during the Haldi and Reception was very tasty, neat, and hygienic. In fact, many of our guests also appreciated the quality and taste of the food.

The return gifts were also very good and thoughtfully arranged. Special thanks to Vinu, the organiser, who was very patient, listened carefully to all our requirements, and made sure everything was organised properly and in a well-mannered way.

Overall, everything was well organized, clean, and perfectly managed. Thank you to the entire Dcube Events team for making our events memorable and stress-free.

We would like to extend our heartfelt appreciation to Dcube Events for curating such a truly magical celebration for my daughter's first birthday. ✨

The entire setup was nothing short of a fairytale — every detail was beautifully crafted, bringing elegance, charm, and a dreamy ambiance to the event. ❤️

The food served during the Haldi and Reception was very tasty, neat, and hygienic. In fact, many of our guests also appreciated the quality and taste of the food.

What truly stood out was the team's professionalism and cooperation throughout. They were extremely accommodating, attentive to our preferences, and went above and beyond to deliver more than we had envisioned.

Dcube Events didn't just meet our expectations — they exceeded them in every possible way.

Thank you for making this milestone so memorable and enchanting for our family. 👑
